

*A Note from the  
Artistic & School Director:  
Ms. Diana McCormack*

*Choreographer. Judge Master Instructor*

*Welcome to The Medina Ballet!  
Our school is where we take dreams and turn them into  
a reality. A learning and training facility with  
professional, structured, fun and safe environment to  
educate the young mind thru dance to enhance them  
mentally, physically and emotionally to mature them  
thru the fine art and build confidence and a healthy  
lifestyle for a lifetime.*

*My training begun at the age of 9 at the Nashua  
School of Dance and by age 11, was accepted as a  
student company member in the Montgomery Ballet  
Company. After attending the first magnet school for  
dance, Booker T. Washington H.S., where my love for  
a multitude of the performing arts developed, I attended  
the San Angelo Civic Ballet and begun my teaching  
career soon thereafter.*

*I have now begun my 23rd season as an instructor and  
owner of both The Medina Ballet & The Wilson  
Ballet. I am a master instructor and travel across the  
state teaching Classical Ballet, Jazz and more and  
Progressive Ballet Technique that I have been certified  
in since 2018. I am former NDA (National Dance  
Alliance) Certified Judge and a former MA (Marching  
Auxiliary) Judge. Our hope is to bring to Medina  
County and surrounding areas, the county's premier  
Fine Arts School. We envision a multitude of  
opportunities thru and around our wonderful county  
lines a school that encapsulates the essential  
development of a fine art to produce outstanding  
performers and dancers, to exhibit our talents in a  
production school setting. We hope you join us for the  
journey of a lifetime.*

### Mission Statement

## SEASON 2023-2024\*

### *Placement*

*Students will be placed in a class appropriate for their level of physical, emotional and technical ability. Class placement is subject to change at the discretion of the School Director. Students who have never danced before or who have taken an extended break from instruction will attend an evaluation class at the time of enrollment to ensure correct class placement.*

*Students will receive scheduling details and specific dress attire that is required for classroom instruction based upon enrollment. If a student is promoted at the end of the season, he/she is required to attend class during the summer to stay conditioned for upcoming year. For students in the Pre-Professional level a summer course of study is required.*
